

Dear Educator

REGISTRATION FOR DEBATING TOURNAMENT 2024

We would like to start the debating tournament as early as possible in the new school year; therefore, registration should take place without any delay.

Please take note of the following:

- Registration fee will be **R300** per team for 2024
- If you have more than 20 learners interested in taking part, consider to register two teams: an experienced and inexperienced team for newcomers to become familiar with rules and research. New teams will compete against each other.
- Planning meeting for all participating team coaches: **Wednesday, 31 January 2024 at 14:00**. At this occasion debating dates and topics will be discussed and finalised. A date for a formal training session for coaches will be determined.
- You can start registering immediately until **29 February 2024** after which the schedule will be fixed and no late registration will be accommodated.

Please come with suggestions for debating topics – we want all to be involved in determining suitable and challenging topics. The registration form for 2024 goes with this letter. Please contact us if you need any more information.

We look forward to an exciting debating year!
